

Classroom

Classroom

USE

courses, private meetings, facilities for events organised in the [Exhibition Hall](#).

The classroom is equipped with a projector, interactive board, PC for the lecturer, and 12 laptop computers for instruction.

It is possible to lease out these premises for your activities. It only depends on you whether you need just the classroom itself, or the premises including our technological equipment. Rates for lease are stratified. The minimum length of the lease is one hour.
